Comments Please provide a brief outline of your farming enterprise in support of your entry.

The information you supply may be used by the Ballance Farm Environment Awards (BFEA) for the purpose of judging and also for publications relating to the Awards. You will also be kept up to date with further initiatives of the BFEA. Access to this information may, however, be passed on to the Trust's authorised users, including researchers and sponsors.

○ I wish the information to be confined only to the Trust, its judges and administrators.

Conditions of entry

- For the purpose of these Awards a farm will be defined as a business enterprise based on the productive or amenity use of soils or other natural resources.
- The entrant's property must be within the boundaries your regional council of your area.
- The Trust reserves the right not to judge an entry if it deems the farm does not fit the overall objectives of the Awards, and not to allocate a prize in a category should there be insufficient numbers.
- The property must be an economically viable farming enterprise.
- The entrant agrees to participate in and assist with publicity of any Regional and/or National Event as deemed by the NZFEA Trust. Each finalist will be filmed and the resulting video and content is the property of the NZFEA Trust and that it will be used to promote the BFEA programme and to promote sustainable profitable farming in general.
- Entries must be received by due date.
- Prizes are not transferable.
