

NEW RESOURCE CONSENT COMPLIANCE MONITORING CHARGING STRUCTURE

We've made changes to make things fairer for all consent holders.

There are two components to the new charging structure for the compliance monitoring of resource consent(s). They are:

New compliance monitoring charging structure (all prices include GST)

	New Charges (1 July 2009)	Old Charges
1. Annual Fixed Charge	\$63.00 for each consent	n/a
2. Hourly Monitoring Rate	\$74.25 per hour + disbursements	\$101.25 per hour + disbursements

All affected consent holders will receive letters throughout August and September explaining the new compliance monitoring charging structure. At the same time, we've asked consent holders to contact us to update any contact details and/or consent holder information. If you have more than one consent, you may receive a letter for each consent.

If your contact details have changed, you wish to surrender or transfer your consent(s) or have any queries please go to www.ecan.govt.nz/ComplianceMonitoring/, call Customer Services on 03 353 9007 or toll-free on 0800 324 636, or email ecinfo@ecan.govt.nz
