

TABLED AT HEARING  
Date 22/4/2010

136. Figure 2. A map of the rivers and stream base layer for Upper Waitaki

137. In paragraph 7 of his second addendum report Dr Freeman expresses concern about the limitations to the effectiveness of the FEMPs in the absence of specific resource consent conditions, and reports that although the term mandatory good agricultural practices is frequently used, the measures in the FEMPs are written as non mandatory.
