dear Mrs Cerri,

Thank you for your recent communication 8/10/10. I am responding on behalf of the Mackenzie Guardians. As interested submitters (see paragraph 7(a)) we have received no update on the conditions process or invitation to assist in section 2 namely ...the proposed meetings between the applicant group, planning officers and interested submitters for the purpose of agreeing to finalising conditions...

For the record as interested submitters The Mackenzie Guardians has received no further communication from the applicants re the 3 may 2010 resolution to meeting re input in drafting conditions.

We look forward to future further input in communication about these matters.

Yours sincerely,
Jane Zusters

behalf of Mackenzie Guardians
