

10th Canterbury Regional Active Transport (CAT) Forum

Environment Canterbury- Waiau Theatre

58 Kilmore Street, Christchurch

Tuesday, 16th June 2009

Programme :

Lunch from 12pm –1pm

1.00pm –1.20pm

Welcome and Introduction - Confirmation of minutes

1.20pm—1.50pm

Walk2Work Day - The Christchurch Walk2Work event was one of 13 Walk2Work events organised throughout NZ by Living Streets Aotearoa. This presentation describes how representatives from several diverse Christchurch groups- including the health sector and environmental groups- went about planning, promoting and running the inaugural Christchurch event. *Speaker: Meg Christie, Active Environment Health Promoter, Community and Public Health*

1.50pm—2.20pm

The Speed Environment in the Timaru District - Simon will take the Forum on a pictorial trip around Timaru showing examples of how speed environments are being enhanced, or created. The location pictures will prompt Simon to discuss in more detail just how the philosophy is being implemented, in his 'patch'. *Speaker: Simon Davenport, Timaru District Council*

2.20pm—2.50pm

The Hurunui District Council Walking and Cycling Strategy -The Hurunui Walking and Cycling Strategy was adopted by Council in April 2009. This presentation will focus on the future plans for walking and cycling in the district and what work needs to be undertaken to implement the strategy. *Speaker: Amelia Dalley, Planner, Hurunui District Council*

2.50pm—3.20pm

Safer Routes to School and School Travel Planning – UK approaches - Tim will talk about his close involvement, as a Group Engineer for one of the UK's largest local highway authorities, in the establishment of it's Safer Routes to School and School Travel Planning Team. This presentation will explain how UK Government and local authorities' approaches to prioritizing child road safety, travel choice and health may have some relevance to the NZ Transport Strategy's delivery. *Speaker: Tim Cheesebrough, Road Safety Team, MWH Consultants*

3.20pm -3.30pm – Open Mike
