RESOURCE CONSENT APPLICATIONS – UPPER WAITAKI CATCHMENT – MINUTE OF COMMISSIONER

Please find attached a copy of the above minute from Commissioner Skelton.

This minute follows the procedural prehearing meeting held on 19 May 2009.

The minute sets out the dates for the hearing which will commence on 21 September 2009. Paragraphs 19 -20 of the minute sets out the hearing periods and times on each day.

Staff are currently confirming a venue in Christchurch for the hearing and we will advise parties in due course of the venue details. A period of the hearing will be held in Twizel to enable those submitters who can't attend Christchurch to have the opportunity to present there.

Paragraph 14 of the minute sets out the indicative lengths of time that the various applicants will take to present their cases. This will be set out in the notice of hearing. Staff will also contact submitters to prepare a schedule for them as well.

Yours sincerely

Donald Fraser
