

LAKE AVIEMORE/MAHI TIKUMU

LAKE WAITAKI

KEY

	No boating or swimming
	5 knot speed limit
	Water-ski access zone
	Marker Posts
	Swimming
	Boat ramp

LIFEJACKETS

- Lifejackets must be worn at all times on craft 6m or less when not tied up or at anchor
- Lifejackets of the right size to fit everyone on board must be carried on all craft

SPEED OF VESSELS

- Keep to **5** knots or less within:
 - 200m of the shore
 - 200m of a vessel flying a dive flag
 - 50m of a person in or on the water
 - 50m of another vessel
- If you are making a wash, you will most likely be exceeding **5** knots
- You must be at least 15 years old to operate a power boat
- It takes three to water-ski – have a lookout on board

TIPS

- Keep a proper lookout for others in and on the water
- Keep well clear of other water users
- Watch the weather
- Make sure your vessel is well maintained
- Make sure you have enough fuel
- Don't mix drinking and boating
- Be aware of hazards

THINK AHEAD

You should know what to do in the event of:

- Engine failure
- Fire
- Someone falls overboard
- Sinking

Your crew should be briefed on:

- Where safety equipment is located and how to use it
- What to do if the skipper is incapacitated

STOP THE SPREAD

Protect our waters from aquatic pests. Remove water weed and algae from boats, and thoroughly check, clean and dry all equipment that has been in the water when leaving inland waterways.

THE MORE YOU KNOW THE BETTER YOUR BOATING

Call on 0800 408 090 or visit www.cbcs.org.nz

BASIC RULES TO AVOID COLLISION
(for craft including jet skis)

Vessel overtaking another

Every overtaking vessel gives way (this includes a sailing vessel)

Power vessel meeting a sailing vessel

Power vessel gives way to sailing vessels

Power vessels meeting head on

Each vessel alters course to starboard (right hand side)

Power vessels meeting

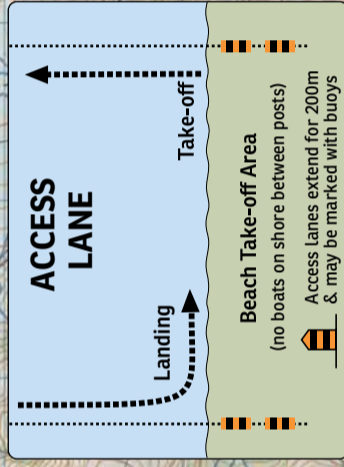

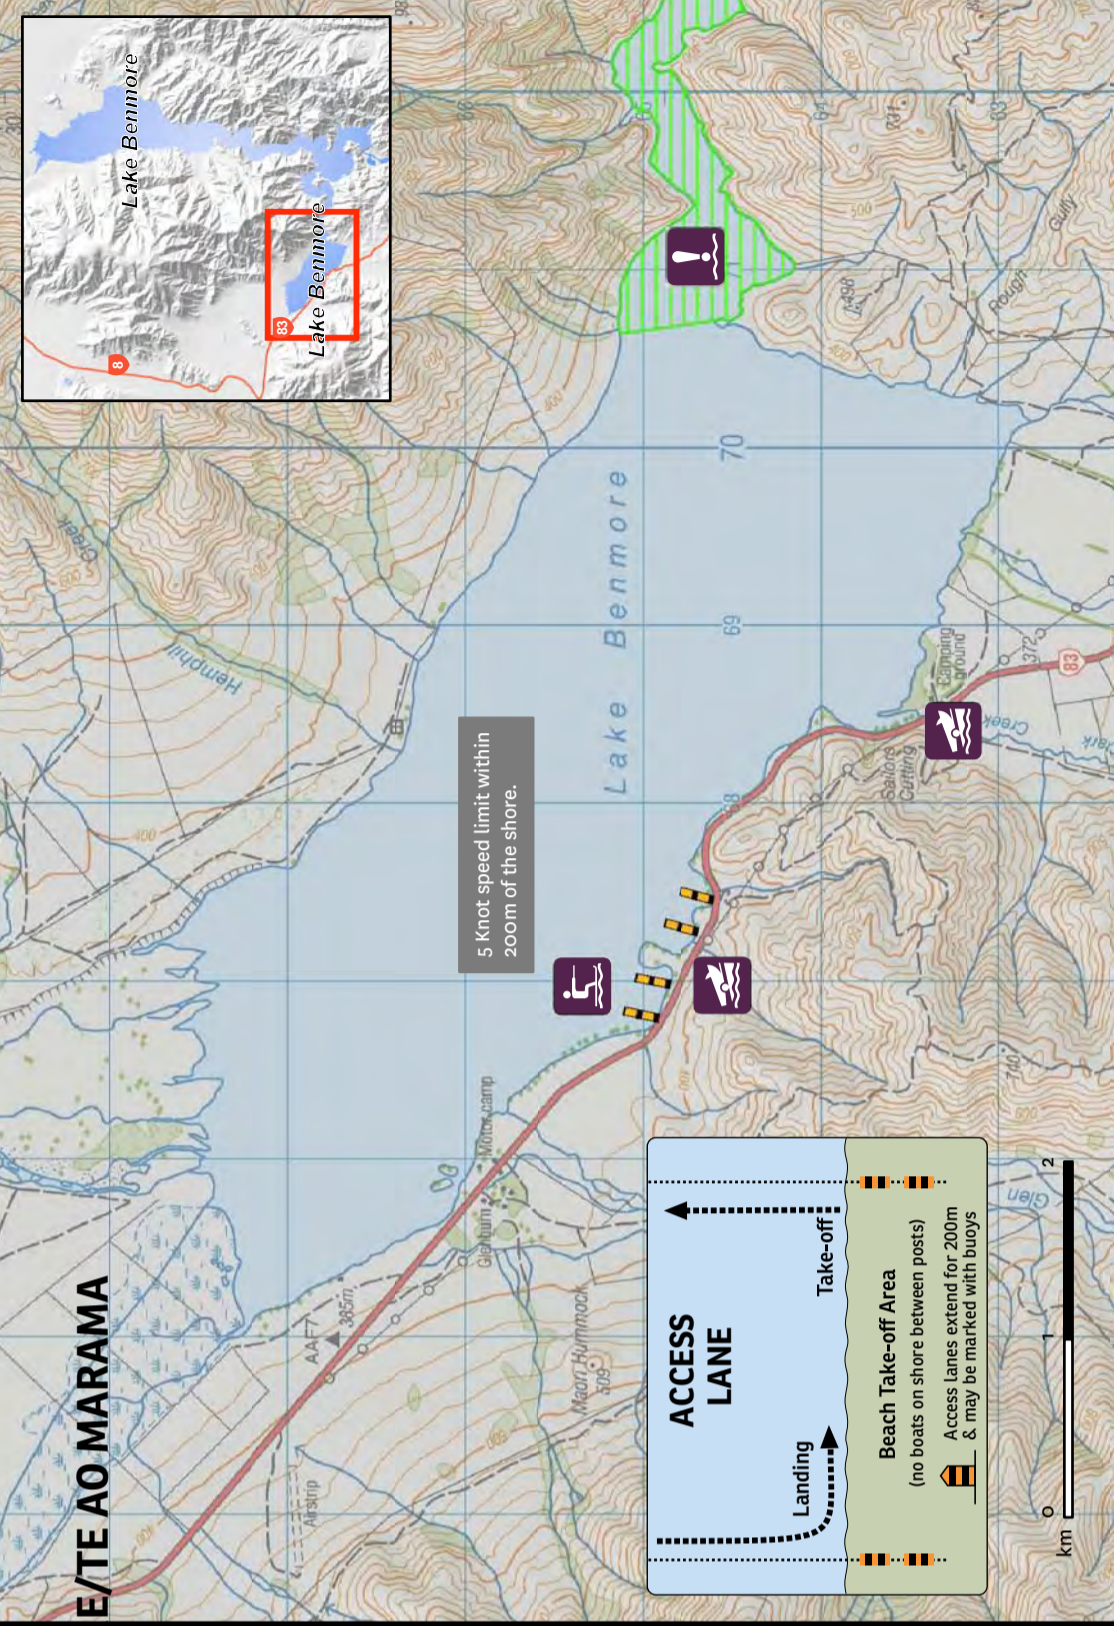

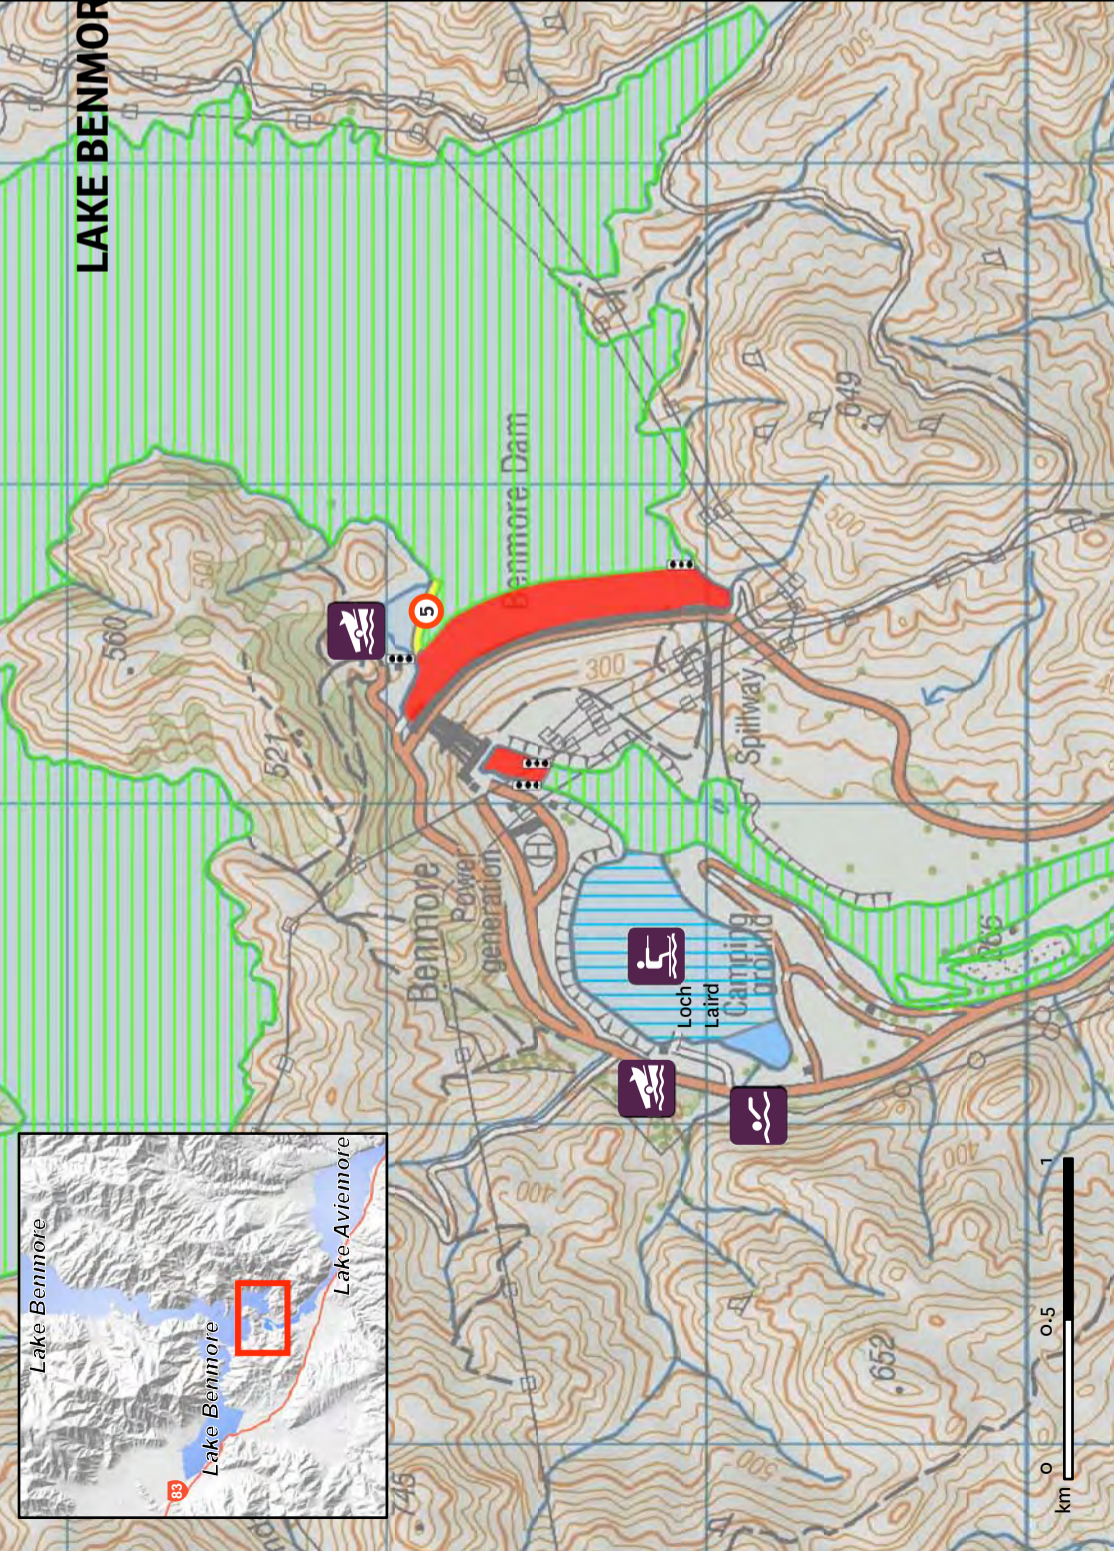

Give way to another vessel crossing from starboard (right hand side) i.e. give way to the right
