SUBMISSION to Draft Canterbury Regional Land Transport Strategy 2012/2042

Waitaki District Council (WDC) wishes to submit in favour of prioritising the maintenance of key routes for inter district travel.

For example, WDC sees policy that supports the priority replacement of the Kurow Bridges across the Waitaki River as being critical to the economic growth and sustainability of the Waitaki Valley area. This link is also significant lifeline for emergency services to communities, particularly on the Northern side of the bridge.

We urge ECAN to prioritise policy to ensure the continuity of the level of service of inter regional traffic, and in particular in regard to the immediate replacement of the Kurow Bridges.
