

## Regional Coastal Environment Plan - Plan Changes 1 and 2

### Minor amendments to the Hearing Committee Report

Tabled at the Council Meeting for consideration

26 June 2008

The following is an outlined of 3 minor recommended amendments to the Hearing Committee Report to ensure accuracy. As the amendments in themselves are minor, they do not alter the recommended decisions of the Hearing Committee.

Hearing Committee Report page number	Heading	Proposed amendment	Rationale	Implications for Hearing Committee recommended decisions.
1	1-1-2 Proposed Plan Change 1	<p>Insert into the table below submission 6.3 - Stephanie Brown the following further submission from the Department of Conservation</p> <p>F109.6 Oppose</p> <p>Consequentially amend Evaluations and Reasons by inserting F109.6 into the list of submissions that support the Plan Changes.</p> <p>Consequentially amend Recommendations by inserting F109.6 into Accept.</p>	<p>This further submission was omitted from Officers Report and the Hearing Committee Report. To ensure accuracy this further submission should be recorded.</p> <p>This further submission supports the recommended decision of the Hearing Committee.</p>	None.

5	1-1-23 1(d) Add a new rule 8.19B and Principle reason	Amend 17.9 by deleting the number from the table and attach the following to 17.8 “Give other consequential incidental amendments, deletions or additions to any part of the Plan as may be necessary to give effect to the relief sought by Lyttleton Port Company”.  Consequentially remove 17.9 from the Evaluations and Reasons.	It is inappropriate to draw out “consequential changes...” as a separate submission point. For clarity this should be linked to the original submission point raised.	None
12	1-3-8 Provide a definition of “Abandoned” for Rule 8.23(f)(2)	Delete F109.16 from the table.  Consequentially, remove references to F109.16 from the Evaluations and Reasons and Recommendation.	The Departments further submission on this point is addressed by F109.2. F109.16 has been recorded in error and should be removed.	None
