

Index by Submitter – Chapter 3: Air Quality

The submitter numbers and the names of submitters on each part of Chapter 3 of the Proposed NRRP are listed below, together with the page numbers of the report of the Hearing Commissioners where their summary of the submission appears. The comments made by the Commissioners on the submission and their recommendations follow after the summary of all of the submissions on the relevant provision of the chapter. In some cases this may be a number of pages after the page on which the summary of the submission first appears. Original Submitters on each part are listed first by submitter number followed by the further submitters on each part.
