

Environment Canterbury Annual Report 2007/08

Our vision

Waitaha

Te whenua mataora

Kia whakaora te taiao momona

Ma tatou hei whakawehi ai

Canterbury...

a living landscape

rich in natural resources

a flourishing environment

that we all respect and enjoy

The purpose...

of Environment Canterbury is to achieve a sustainable environment and sustainable communities, for the benefit of people, communities and future generations, at a reasonable level of monetary and personal cost.

We will achieve this by...

- working in partnership with the communities in the Canterbury region
- promoting sustainable management of natural and physical resources
- using innovative, cost-effective and technically excellent methods
- ensuring that decision-making is based on high quality information.

»» Table of contents
