PROPOSED VARIATION 6 TO THE CANTERBURY NATURAL RESOURCES REGIONAL PLAN

Notice of withdrawal of parts of proposed Variation 6

In accordance with Clause 8D of Schedule 1 of the Resource Management Act 1991, the Canterbury Regional Council gives public notice that it has withdrawn parts of proposed Variation 6 to Chapter 4: Water Quality Plan Provisions for Christchurch Groundwater Protection Zones; and the related map volume amendments.

Variation 1 was notified in 2004 and introduced Chapter 4 Water Quality. Submissions received on Variation 1 have been heard by a different Hearing Committee from Variation 6. Variation 6 was notified on 28 July 2007. It amended parts of Chapters 4 Water Quality, with amendments shown in Variation 6 by underlining and strikethrough. To help provide a context for the amendments, the provisions within which the amendments were located were included in the notified document. Submissions were received on parts of the document notified that did not have underlining or strike through and which have been considered by the Variation 1 Hearing Committee. To avoid having conflict between decisions being released on Variation 1 and Variation 6 the Council is withdrawing parts of Variation 6.
