

Nassella Tussock Checklist

Book your contractor early; don't leave it until later in the season.

Don't assume they are coming just because they came last year – ring them now to confirm.

Make sure you confirm the precise week the contractor will come.

Don't be daunted; we can offer advice and help.

There is a list of contractors overleaf.

Contact our biosecurity team on **0800 324 636** or
biosecurity@ecan.govt.nz

List of people known to undertake nassella tussock control work.

Disclaimer: We do not recommend or endorse any contractor, nor is this list comprehensive. It is intended for information purposes only.
