

Notes to the Proposed Conditions

Submitter Comments and Responses table - this table has been prepared to make the conditions more readable, and include the comments from submitters, together with Rangitata Diversion Race Management Limited's responses.

Proposed Councils conditions

Please note: all previous tracked changes against the s42A report are now in black and white, with the further areas of change as a result of comments from submitters in green tracking.

The submitter responses to the 4 May sets of conditions are included in the proposed conditions dated 11 May.
