

Environment Canterbury - Long Term Plan 2021-2031

*Taking action together to shape a thriving and
resilient Canterbury, now and for future generations.*

Toitū te marae o Tāne, toitū te marae o Tangaroa, toitū te iwi.

Waimakariri River, Canterbury

What is a Long-Term Plan?

Proposed **work programmes** and the **budget** needed to make them happen.

Option Two - \$240M of work

- Statutory requirements
- Freshwater and coastal plans and regional policy statement (RPS) revised
- Some public transport enhancements
- Covid 19 resilience projects
- Wilding pine and wallaby control

Option One = Option Two + \$6M

- Enviroschools and wider environmental education
- Further public transport improvement
- More land owner support and compliance staff
- Enhanced regeneration of native forests (Me Uru Rākau)
- More data collection – Mātauranga Māori and citizen science
- Contestable community fund (\$450k total for 3 yrs)
- Additional Braided river action

Stand alone projects

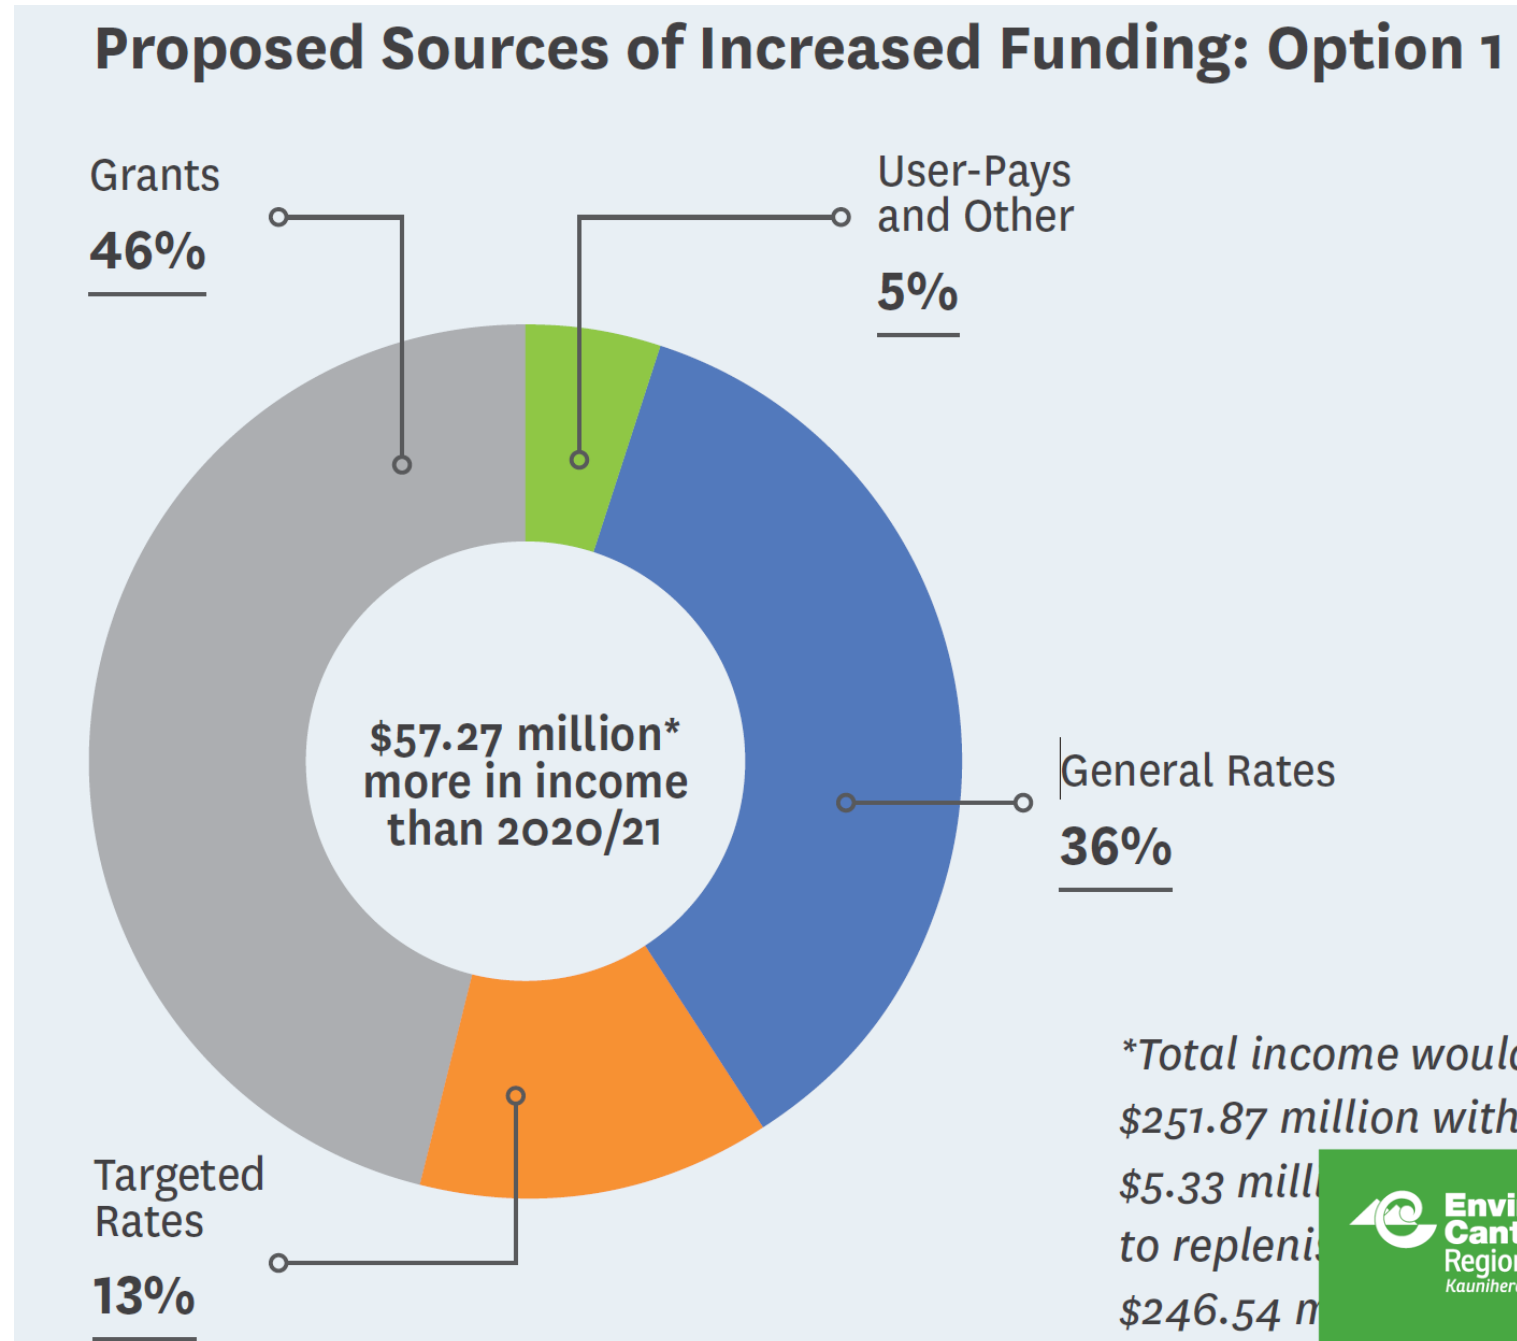

MyWay on demand trial (Timaru)

Hekeao Hinds Managed Aquifer Recharge (Ashburton)

Urban river funding??

Other???

How
are we
funded?

Property examples

			Option 1	
	Property value	Suburb	Rise/week	Total/week
Rural	\$ 375,000	Leeston	\$1.40	\$6.10

Urban	\$ 540,000	Sumner	\$1.60	\$9.80
Rural	\$ 730,000	Springston	\$2.10	\$9.80
Urban	\$ 760,000	Mt Pleasant	\$2.00	\$13.10
Rural	\$ 1,270,000	Wairewa*	\$4.80	\$30.30
Rural	\$ 5,140,000	Waimakariri	\$10.30	\$55.00
* Includes \$84 flat rate for river rating work				

Borrow to spread the costs?

- Traditionally for capital projects
- Allowed for limited operational projects e.g. planning with intergenerational benefit
- Borrow to fund Covid 19 recovery projects?

Consultation

- Open until 11th April
- Series of questions
- Or free form responses
- Any age
- Look at the rating tools
- **Submit on the things you like**
